3. A copy of each club's fixture list must be sent to the League Secretary prior to the commencement of each season.
4. Each winning club must forward both sets of result cards, including the names of players, to the League Secretary to arrive within **three days** of the fixture. Two additional points will be awarded for each winning rink with points shared for a drawn rink.

7. If the home captain decides that the match is to be cancelled due to bad weather or damage making the green unsuitable for play, and if the match cannot be re-scheduled, it will be deemed as a match not played and three points will be awarded to each club with no shots involved.

11. A copy of the current league table will be sent to each club at the end of each month.
12. The division winner will be the club with the highest points at the end of the season in that division. In the event of two or more clubs having equal points, shots difference will decide the winner. If two or more clubs have equal points and shots difference, the winner will be the club which has scored the highest number of shots.
13. The winning/runners up clubs will hold a Trophy for one year and will also be awarded a cash prize. It is incumbent of these clubs to maintain the trophy in a good and clean condition and to return it and its presentation box to the League Secretary by 30th September each year.
